**[www.seafoxboats.com](http://www.seafoxboats.com)**

Visit our newly redesigned website to see a full listing of standard equipment, optional features, available upgrade packages and colored hull options.

The website also offers running footage, slideshows, an informative factory tour, new product updates, a media center, a dealer search, catalog request, the Sea Fox online store, as well as a Sea Fox owner-gearred site found at [www.teamseafox.com](http://www.teamseafox.com). You'll also find virtual tours, with a zoom feature, on each model that will allow you to use your mouse to navigate the deck and/or cabin interiors, as if you were actually in the boat!

The website is easily navigated and offers tons of information right at your fingertips. Visit us today to find the Sea Fox that's right for you and your family!

*Due to Sea Fox's ongoing commitment to research and product development, we reserve the right to change features, specifications and/or prices without prior notification. Check with your Sea Fox dealer for complete information. Some photos shown show optional equipment. Specifications and measurements are approximate.*
