

SEA/FOX

2005 Product Line

SEAFOX

Sea Fox Boat Company, Inc.

In 1957 the Renken family began building boats in Charleston, South Carolina. Today the third generation of Renkens continues that tradition with Sea Fox boats. Notably, the last five years have marked Sea Fox as one of the fastest growing companies in America.

With 48 years of boat building experience, Sea Fox proves that choosing a quality boat with true craftsmanship and attention to detail can still be within the family budget. Sea Fox boats are packed full of unique features and fisherman friendly amenities for all types of anglers. They stand behind their boats with one of the best warranties in the business, a Limited Lifetime Hull Warranty.

Whether you are on a fishing trip, cruising with your family or enjoying your favorite watersport, Sea Fox is the boat that can suit all of your needs. Sea Fox's diverse designs and full line of choices make deciding on the right boat a breeze for your family. Sea Fox makes great boats, so you can make great memories.

Sea Fox boats meet or exceed United States Coast Guard standards. Boat smart from the start, take a boating education course and get a vessel safety check for your boat. For information, call the United States Coast Guard Auxiliary at 800-368-5647 or at www.cgaux.org or the United States Power Squadrons at 888-FOR-USPS or www.usps.org.

Sea Fox's Exclusive Fibre4System™

The exclusive "Fibre4" all fiberglass stringer system is built into every Sea Fox boat, providing a wider, stronger stringer that will not rot! In addition to a stronger platform, decks are fiberglassed to the broad stringer tops resulting in a superior bond between hull, stringers and deck.

Sea Fox boats are constructed using an all composite core material that is lighter and more durable than wood. It will not rot!

An aluminum plate is glassed into the hull providing a backing for motor mounts.

Composite core materials provide strength in floors, consoles and hatch lids. No wood, no rot!

Facts That Keep Sea Fox Out Front

- Fibre4 Stringer System - fiberglass stringers are wider than wooden ones and will not rot when exposed to water.
- A high density foam core hull will not deteriorate as wood does when exposed to water, plus the aluminum plate within the transom provides extra engine mounting strength.
- Hand-rolled fiberglass means a superior laminate.
- Self-bailing cockpits allow water to drain overboard.
- Non-skid deck surfaces aid in safer deck surfaces.
- Stainless steel hardware eliminates the worry of saltwater corrosion.
- Closed cell foam flotation - foam injected into key areas of the hull and deck provide superior flotation and insulation.
- Family-owned with more than 48 years of experience - a proud heritage of experience that goes into each boat built.
- One of the best warranties in the business - every Sea Fox is backed by a Limited Lifetime Hull Warranty.

160 Center Console

Centerline	16'1"
Beam	6'2"
Deadrise	16 degrees
Draft	9"
Fuel Capacity	21 gallons
Maximum Capacity	5 people/750 lbs
Maximum Horsepower	80 hp
Weight	1,085 lbs

STANDARD EQUIPMENT

12 volt power point
48-quart removable cooler
Aerated live well - 12 gallons
Aluminum dash panel w/full instrumentation
Anchor locker
Automatic 500 gph bilge pump
Bench seat cushion
Bow storage compartment
Closed cell foam flotation
Foam cored deck
Fuel/water separator
Horn
Isothatic gel coat
Limited Lifetime Hull Warranty
Marine grade vinyl w/PreFlex[®]
Navigation lights
No-feedback steering
Non-skid deck surface
Self bailing cockpit

SST hardware
SST rod holders
SST rub rail
SST through-bolts rails
Trolling motor plug (12 volt)
Waterproof storage tube
Windscreen w/handrail

OPTIONAL EQUIPMENT

AM/FM JBL CD player & 4 speakers
Battery switch
Bimini top
Bow cushion
Bow lifting ring
Canvas console cover
Compass
Extra base for fish chair
Extra live well - 12 gallons
Fishing chair, base & pole
Gel coat colors: Arctic White, Carolina Blue,

Fighting Lady Yellow or Sea Foam Green
Hydraulic steering
Matrix depth/fish finder/GPS
Motor well lid
Plug-in bow light
Pull-up cleats
Raw water washdown
Seaworthy stereo w/CD
Sirius satellite radio
Tilt steering

Tournament package: steering knob, tilt steering, SST through-hull fittings, compass, live well light

172 Center Console

Centerline	17'1"
Beam	6'10"
Deadrise	15 degrees
Draft	10"
Fuel Capacity	27 gallons
Maximum Capacity	5 people/750 lbs
Maximum Horsepower	115 hp
Weight	1,390 lbs

STANDARD EQUIPMENT

12 volt power point
48-quart removable cooler
Aerated live well - 12 gallons
Aluminum dash panel w/full instrumentation
Anchor locker
Automatic 500 gph bilge pump
Bow storage compartment
Closed cell foam flotation
Flip-flop cooler seat
Foam cored deck
Fuel/water separator
Horn
Isothatic gel coat
Limited Lifetime Hull Warranty
Marine grade vinyl w/PreFixx®
Navigation lights
No-feedback steering
Non-skid deck surface
Self bailing cockpit

SST hardware

SST rod holders

SST through-bolted rails
Trolling motor plug (12 volt)
Waterproof storage tube
Windscreen w/ handrail

OPTIONAL EQUIPMENT

AM/FM JBL CD player & 4 speakers
Battery switch
Bimini top
Bow cushion
Bow lifting ring
Canvas console cover
Canvas flip-flop cover
Canvas pedestal seat covers (2)
Compass
Extra base for fish chair
Extra live well - 12 gallons

Fishing chair, base & pole

Full bow rail
Gel coat colors: Arctic White, Carolina Blue,
Fighting Lady Yellow or Sea Foam Green
Hydraulic steering
Matrix depth/fish finder/GPS
Pedestal seats (2) (exchange)
Plug-in bow light
Pull-up cleats
Raw water washdown
Rod boxes (2)
Seacorthy stereo w/CD
Sirius satellite radio
Stem hatch cushions
Swim platform & ladder
Tall bow rail
Tilt steering (hydraulic & mechanical)
Tournament package: steering knob, tilt
steering, SST through-hull fittings,
compass, live well light

MERCURY
"I'm On The Water"

187 Center Console

Centerline	18'
Beam	7'8"
Deadrise	19 degrees
Draft	12"
Fuel Capacity	50 gallons
Maximum Capacity	6 people/950 lbs
Maximum Horsepower	140 hp
Weight	1,700 lbs

STANDARD EQUIPMENT
 12 volt power point
 48 quart removable cooler
 Aerated live well - 19 gallons
 Aluminum dash panel w/full instrumentation
 Anchor locker
 Automatic 500 gph bilge pump
 Bow storage
 Closed cell foam flotation
 Drink holders

RUN CLEAN, RUN QUIET, RUN MERCURY.

From our revolutionary Verado™ to the proven power of OptiMax® DFI, no one offers a more complete line of clean, efficient outboard power than Mercury.

MERCURY® VERADO.

THE ULTIMATE IN OUTBOARD POWER.

With a 2.6L in-line six-cylinder powerhouse, the supercharged FourStroke Verado is the world's most powerful four-stroke outboard. It's also the quietest and most reliable outboard ever built. And, with a three-star CARB rating, it's one of the cleanest. Fuel efficiency is exceptional, as well. Add in our exclusive SmartCraft Digital Throttle & Shift and electro-hydraulic power steering, and Verado is indisputably the ultimate in outboard power.

275 HP
250 HP
225 HP
200 HP

MERCURY OPTIMAX.

ULTRA CLEAN. ULTRA POWERFUL.

OptiMax gives you the responsive power of a two-stroke with efficiency that exceeds most four-strokes. Thanks to our exclusive two-stage direct-injection technology, OptiMax has exceptional range, incredible fuel economy and extremely low emissions. In fact, the 135, 115, 90 and 75 hp models meet the stringent CARB three-star ultra-low emissions rating. All the more reason to

GO FOR THE MAX
MERCURY OPTIMAX

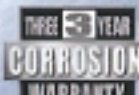

ULTRA CLEAN.

Mercury offers more outboards with a CARB three-star ultra-low emissions rating than any other manufacturer. Our four-stroke technology exceeds EPA emissions standards for 2008.

RELIABLE.

Mercury has spent decades designing, testing and refining components and materials that stand up to saltwater. Both the OptiMax and FourStroke lines come with a three-year limited corrosion failure warranty and a three-year nondeclining limited factory warranty.

SMARTCRAFT.

Exclusive to Mercury power, the SmartCraft® System continually monitors critical engine functions and environmental data to keep you up to speed on everything you need to know to make the right decisions when you're on the water.
