SEA FOX BOAT'S DISCLAIMER

The following Owner's Manual is provided for information and educational purposes only and is not intended to offer or provide legal advice or create a contractual relationship between Sea Fox Boat Company and the owner of any Sea Fox brand vessel. Please beware that as a vessel owner you have non-delegable responsibilities regarding the safety, maintenance, fitness, and operation of your vessel and the extent of such responsibilities is ultimately determined by Federal law and regulations, the general maritime law of the United States, the laws and regulations of the states and territories of the United States, or the laws and regulations of the country where you operate your vessel. To fully understand your responsibilities as a vessel owner, and before operating or letting any third party operate your vessel, we recommend that you consult the services of a qualified lawyer in admiralty and maritime law.

INTRODUCTION

Congratulations and Welcome Aboard! With so many boat brands to choose from, we want to congratulate you on your decision to choose Sea Fox Boats. For more than 24 years, Sea Fox offers the finest hand-crafted saltwater boats carefully balanced with the build-quality, features, styling and performance for the fairest price. Our passion for boating is evident in every model we make and we appreciate that you've noticed the Sea Fox difference.

We share your love for the moments spent on the water with friends and family, which is why every Sea Fox boat offers a unique blend of fishing/family options, technologies and innovative features. Your choice of a Sea Fox affirms that you have performed your research and compared the value of your model with the competition.

Whether you are new to the boating lifestyle or an old salt, we ask that **you and all other operators** read the owner's manual, this supplement, and all other literature provided with the boat **before** operating the boat or any equipment. We also recommend that all operators enroll in a boating safety course available online - see References and Contact Information in this section for education resources online.

This supplement contains model-specific information not included with the owner's manual. This manual is not intended to be a replacement for specific product literature provided by engine, accessory or other major equipment manufacturers, but rather to supplement that information.

Because of our philosophy of continuous product improvement, this manual serves as a general guide only, so the specifications and illustrations used may not match the equipment on your boat and are intended only as general reference views.

We welcome you to the Sea Fox family and wish you many years of boating enjoyment!

SPECIFICATIONS

Max. Weight Capacity	2500 lbs (1134 kg)
Persons	10
Persons Weight	1500 lbs (680 kg)
Max. HP	300 hp (224 kw)
L.O. A.	24' 4" (7.41 m)
Beam	8' 6" (2.59 m)
Draft	14 in. (0.36 m)
Height, Keel to Top (Light Folded)	115 in. (2.92 m)
Bridge Clearance Hard Top	99 in. (2.51 m)
Max. Weight Boat (w/ Fluids, Largest HP)	5260 lbs (2386 kg)
Fuel Tank Capacity	117 gal (443 L)
Freshwater Tank Capacity	12 gal (45 L)
Holding Tank Capacity	12 gal (45 L)

DESIGNATED OCCUPANT SEATING

Be sure all passengers are properly seated in designated seating positions and not riding on the bow, bow pulpit, deck, gunwale or rear sun deck while underway. Passengers must use hand-holds and use caution when riding in the bow. Move to the aft passenger seats during rough water operation or if visibility is restricted.
