

Sea Fox Warranty Transfer and Certificate of Ownership Form

TEN YEAR TRANSFERABLE LIMITED STRUCTURAL HULL WARRANTY FOR MODEL YEARS 2005-CURRENT: Sea Fox offers a *one-time* Transferable Ten-Year Limited Structural Hull Warranty. Under the *one-time* Ten-Year Transferable Structural Hull Warranty, the selling dealer or Sea Fox Boat Co. will repair or replace the fiberglass hull if it is found to be structurally defective in material or workmanship within the first ten (10) years after date of delivery to the *original retail purchaser*.

The remaining term of this *one-time* Ten-Year Limited Structural Hull Warranty may be transferred to a second owner if, within 60 days of purchase, the new owner registers the transfer with Sea Fox Boat Co. and pays the established warranty transfer fee of \$200 USD.

The 10-year warranty starts from the date of purchase of the *original/first owner*. For example, if the original owner purchased the boat on 05/01/2008, the 10 YEAR TRANSFERABLE WARRANTY will expire 05/01/2018.

Any vessel that is deemed to have been: abandoned, repossessed, distressed, sold at auction (including EBAY), or used commercially, Sea Fox Boat Co. reserves the right to void any warranty or warranty transfer. Sea Fox Boat Co. may also request that vessel be taken to an authorized Sea Fox Dealership for inspection.

A bill of sale must be provided from the original owner to transfer the warranty in order to verify our records.
